Background and Purpose with Rotary Action Groups

Rotary Action Groups

Rotary Action Groups are independent, Rotary-affiliated groups made up of people from around the world who are experts in a particular field, such as economic development, peace, addiction prevention, the environment, or water.

Action groups offer their technical expertise and support to help clubs plan and implement projects to increase our impact, one of Rotary's strategic priorities. This support includes helping clubs find partners, funding, and other resources. Action groups can also help clubs and districts prepare grant applications, conduct community assessments, and develop plans to monitor and evaluate their projects. Read more about these activities in the Rotary Action Groups annual report.

Anyone who wants to share their expertise to make a positive difference can join an action group. Only Rotarians, Rotaractors, and Rotary Peace Fellows can serve in leadership roles.

Rotary Action Group for Peace – Peace Builder Club

There are 17 points on what is appropriate to engage in. Some we are far from, and others we are very close to.

Peace Builder Club – Peace Builder Committee

- Peacebuilding Core Values
- Conduct online training in 8 Pillars of Positive Peace
- Tell us about our seven focus areas
- Sponsor a peacebuilding activity
- Educate on our core values – the Code of Conduct
- Do something to raise public awareness of Rotary's peacebuilding power and activities
- Support the Rotary Peace Center

All that remains to be done is:

Form a committee of at least 2 people who are members of RAGFP
